MISSION STATEMENT

The mission of the Harlem Children’s Zone Promise Academy Charter School (HCZ Promise Academy I) is to provide high quality, standards-based academic programs for students, grades K-12, from underserved communities and underperforming school districts, and to provide students with the skills they need to be accepted by and succeed in college. HCZ Promise Academy I promotes high achievement in all subjects through a demanding curriculum, extensive supportive services and the use of data-driven teaching methods. HCZ Promise Academy I is committed to promoting academic accomplishment, positive character development, healthy lifestyles and leadership skills. In partnership with the Harlem Children’s Zone, HCZ Promise Academy I addresses the educational and developmental needs of each student.

g. KEY DESIGN ELEMENTS (Regents, NYCDOE, and Buffalo BOE authorized schools only)

KEY DESIGN ELEMENTS (Brief heading followed by a description of each Key Design Elements (KDE). KDEs are those general aspects of the school that are innovative or unique to the school’s mission and goals, are core to the school’s overall design, and are critical to its success. The design elements may include a specific content area focus; unique student populations to be served; specific educational programs or pedagogical approaches; unique calendar, schedule, or configurations of students and staff; and/or innovative organizational structures and systems.

Variable 1	Data-driven instruction: The Promise Academy teaching philosophy is that all students have different instructional needs, and it is our job to find ways to identify and address those needs. Small-group instruction and tutoring offered in the after school program is an integral piece to achieving a high academic outcome. Promise also uses running records for assessing reading levels and identifying patterns of strategies that work.
Variable 2	Professional development: Promise Academy has always focused on building a core of highly-qualified, driven teachers serving as beacons of experience to younger staff with great potential. Promise has expanded that focus by creating a Curriculum Office of ELA and math coaches, giving teachers opportunities to receive guided instruction. We are also attracting and training talented teachers through student/teacher apprenticeships and Relay/GSE. During the summer of 2017, we began to offer new teachers a more intense series of mandatory PDs. Our current focus is ensuring that those PDs are consistently tailored to help integrate new teachers to better fulfill our mission.
Variable 3	College Readiness: To ensure that students in Promise have

	<p>the best chance for academic success, Promise has consistently aligned itself with collaborative programs. The Bard Early College Program and advanced placement classes, along with creating a campus like environment has been useful tools in helping our children become college-ready. Students are offered services from the Center for Higher Education and Career Support with advisors who help and guide them through their high school and college careers.</p>
Variable 4	<p>Parent Engagement: Promise Academy has a Promise Academy I Parents Association (PAPA I) in which members are instrumental in maintaining strong ties between school staff and the families of students. The school also benefits from the Parent Engagement team, which offers professional development opportunities for the PAPA board and advises them on appropriate ways to manage feedback from the community of Promise parents.</p>
Variable 5	<p>Academic Coaches: Promise Academy has academic coaches in ELA and math to ensure that the curriculum is aligned with the Common Core State Standards. The coaches use teaching strategies and data assessment to improve and strengthen the curriculum and target at risk students in order to help them achieve benchmarks. Lead teachers, teaching fellows and principals are also provided with opportunities to be trained by Relay/GSE, an accredited national non-profit institution of higher education.</p>
Variable 6	<p>Recruitment: The recruitment team focuses on finding quality candidates from around the country and works with leadership using the following strategies: attending/hosting teacher recruitment fairs and events at colleges/universities, internet job postings, advertisements, employee referrals and partnering with programs such as Teach for America. Student teachers from reputable universities are also trained in Promise classrooms with a focus on a data-driven positive school culture.</p>
Variable 7	<p>Pipeline Services: The services we offer such as, healthy nutrition, access to social services, foster care prevention and the Promise After-school program with additional instruction opportunities ensures that our students begin on the same playing field as children from more affluent communities. We also have a fully operational health center for all Promise students and partner with proven organizations so that our children get the services they need to develop as healthy students.</p>

Entry 3 Progress Toward Goals

Created: 07/17/2019 • Last updated: 11/01/2019

PROGRESS TOWARD CHARTER GOALS

Board of Regents-authorized and NYCDOE-authorized charter schools only. Complete the tables provided. List each goal and measure as contained in the school's currently approved charter, and indicate whether the school has met or not met the goal. Please provide information for all goals by November 1st.

1. ACADEMIC STUDENT PERFORMANCE GOALS

If performance data is not available by August 1st, please state this in the last column and update by November 1st.

2018-19 Progress Toward Attainment of Academic Goals

	Academic Student Performance Goal	Measure Used to Evaluate Progress Toward Attainment of Goal	Goal - Met or Not Met	Indicate if data is not available. If/when available, Describe Efforts School Will Take If Goal Is Not Met
Academic Goal 1	Throughout the course of the school's next charter term, it will earn a score of B or better in "Performance" section of the citywide Progress Report.	NYC DOE Progress Reports		N/A: The DOE no longer produces graded Progress Reports.
Academic Goal 2	Throughout the course of the school's next charter term, the school will show progress towards earning 75 percent of 3-8 graders who have been enrolled at the school on BEDS day for at least two consecutive years will perform at or above Level 3 on the New York State ELA examination.	NYS ELA exam scores	Met	Goal met: In 17-18, 55.8% of the 3rd-8th graders who had been at the school for two or more years earned a level 3 or above on the ELA exam. In 18-19, 56.7% of the 3rd-8th graders who had been at the school for two or more years earned a level 3 or above on the ELA exam. This increase indicates progress toward 75% proficient.

Academic Goal 3	Throughout the course of the school's next charter term, the school will show progress towards achieving 75 percent of 3-8 graders who have been enrolled at the school on BEDS day for at least two consecutive years will perform at or above Level 3 on the New York State Mathematics examination.	NYS Math exam scores	Met	Goal met: In 17-18, 64.4% of 3rd-8th graders who had been at the school for two or more years earned a level 3 or above on the math exam. In 18-19, 71.3% of 3rd-8th graders who had been at the school for two or more years earned a level 3 or above on the math exam. This increase indicates progress toward 75% proficient.
Academic Goal 4	Throughout the course of the school's next charter term, the school will show progress towards achieving 75 percent of 4th and 8th graders who have been enrolled at the school on BEDS days for at least two consecutive years will perform at or above Level 3 on the New York State Science examination.	NYS Science exam scores	Not Met	Goal partially met: In 17-18, 95.2% of 4th graders and 59.5% of 8th graders who had been at the school for two or more years earned a level 3 or above on the science exam. In 18-19, 95.5% of 4th graders and 21.4% of 8th graders who had been at the school for two or more years earned a level 3 or above on the science exam. 4th grade students remained above 75 percent passing the exam but 8th grade students did not make progress towards achieving 75 percent proficient. 4th grade met the goal, but 8th grade did not.
	Throughout the course of the school's next charter term, the school will show			N/A: The DOE no

Academic Goal 5	progress towards earning a score of B or better on the "Progress" section of the citywide Progress Report.	NYC DOE Progress Reports		longer produces graded Progress Reports.
Academic Goal 6	Throughout the next charter term, each grade-level cohort of the same students (i.e. students who are in the school for two years in a row) will reduce by a quarter the gap between the percent at or above Level 3 on the previous year's State ELA exam (baseline) and 75 percent at or above Level 3 on the current year's State ELA exam. For schools in which the number of students scoring above proficiency in a grade level cohort exceeded 75 percent on the previous year's ELA exam, the school is expected to demonstrate some growth (above 75 percent) in the current year (relevant for schools serving grades 3-8). (For measuring this goal, the difference will be calculated by subtracting the percentage of students who scored proficient on the NYS ELA test enrolled at the school on BEDS day of year 1 of the new charter term from the percentage of the same students who scored proficient	NYS ELA exams	Not Met	Goal not met: Matched cohorts of students who took the ELA test in both 17-18 and 18-19 and had been at the school for two or more years in 18-19 were created. In this matched cohort, 55.8% of students were proficient in 17-18 and 54.2% were proficient in 18-19. Because the percent of students proficient decreased, we did not meet this goal.

	on the NYS ELA test in year 2 of new charter term and were continuously enrolled for two consecutive years on BEDS day.)			
Academic Goal 7	<p>Throughout the next charter term, each grade-level cohort of the same students (i.e. students who are in the school for two years in a row) will reduce by a quarter the gap between the percent at or above Level 3 on the previous year's State Math exam (baseline) and 75 percent at or above Level 3 on the current year's State Math exam. In this matched cohort, 65.2% of students were proficient in 17-18 and 74.3% were proficient in 18-19. In order to meet the goal of a 25% increase in the difference between 65.2 and 75, the proficiency rate would have to increase by 2.5 points from 17-18 to 18-19. Because the proficiency rate decreased by 9.1 points, we met this goal.</p>

	of the same students who scored proficient on the NYS Math test in year 2 of new charter term and were continuously enrolled for two consecutive years on BEDS day.)			
Academic Goal 8	Throughout the next charter term, the school will show progress towards having 75% of students enrolled in grades 9-11 accumulate 10 or more credits towards graduation. The school will be accountable for all credits accumulated by students who were continuously enrolled in the school including students who have dropped out or enrolled in an accredited GED program, however, excluding the credits accumulated by students who have transferred from or to another school, were incarcerated, left the country, or died during the school year. The school will report this each September by submitting a report of student credit accumulation from the previous school year for purposes of the NYC DOE Progress Report.	Annual credit accumulation for high school students	Met	92% of Promise Academy students in grades 9-11 earned at least 10 credits toward graduation in the 2018-2019 school year.
	Each year, 75% of each cohort who have been in high			Goal met: 89% of

Academic Goal 9	school for at least 3 years will have scored at least 65 on the New York State Regents examinations in ELA.	NYS English Regents Exam	Met	cohort U and 94% of cohort V have scored at least a 65 on the ELA Regents exam.
Academic Goal 10	Each year, 75% of each cohort will have scored at least 65 on the New York State Regents examinations in Math.	NYS Math Regents exams	Met	Goal met: 96% of cohort U and 97% of cohort V, 98% of cohort W, and 98% of cohort X have scored at least a 65 on a Math Regents exam.

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take total expenditures (from the unaudited 2018-19 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:

Audit Guide available within the portal or on the NYSED website at: <http://www.p12.nysed.gov/psc/regentsoversightplan/otherdocuments/auditguide2018.pdf>.

Line 1: Total Expenditures	22930237
Line 2: Year End FTE student enrollment	1114
Line 3: Divide Line 1 by Line 2	20584

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2018-19 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:
<http://www.p12.nysed.gov/psc/AuditGuide.html>.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	18750740
Line 2: Management and General Cost (Column)	96163
Line 3: Sum of Line 1 and Line 2	18846903
Line 5: Divide Line 3 by the Year End FTE student enrollment	16918

Thank you.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To The Board of Trustees of
Harlem Children's Zone Promise Academy Charter School:

Report on the financial statements

We have audited the accompanying financial statements of Harlem Children's Zone Promise Academy Charter School (the "School"), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Harlem Children's Zone Promise Academy Charter School as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other reporting required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report, dated October 30, 2019, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

HARLEM CHILDREN'S ZONE PROMISE ACADEMY CHARTER SCHOOL

Notes to Financial Statements

June 30, 2019 and 2018

1. NATURE OF OPERATIONS

Harlem Children's Zone Promise Academy Charter School (the "School") is a public charter school that is open to all New York City public school children via a lottery. Opened in 2004, the School features small class sizes, an extended day and year, high expectations, and access to an extended support system through its Institutional Partner, Harlem Children's Zone, Inc. ("HCZ").

HCZ is a not-for-profit organization that offers a wide array of education and social programs to the children and families of Harlem. Created in 1970 as a truancy prevention agency (then called "Rheedlen Centers for Children and Families"), HCZ has expanded its services to address the needs of children from birth through college, and as part of that mission, it also works to strengthen families and the surrounding community.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

In August 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-14, Not-for-Profit Entities (Topic 958): *Presentation of Financial Statements of Not-for-Profit Entities* ("ASU 2016-14"). The ASU amends the current reporting model for not-for-profit organizations and requires certain additional disclosures. The significant changes include:

- Requiring the presentation of two net asset classes classified as "net assets without donor restrictions" and "net assets with donor restrictions";
- Modifying the presentation of underwater endowment funds and related disclosures;
- Requiring the use of the placed in service approach to recognize the satisfaction of restrictions on gifts used to acquire or construct long-lived assets, absent explicit donor stipulations otherwise;
- Requiring that all not-for-profits present an analysis of expenses by function and nature in a separate statement or in the notes to the financial statements;
- Requiring disclosure of quantitative and qualitative information regarding liquidity;
- Presenting investment return net of external and direct internal investment expenses; and,
- Modifying other financial statement reporting requirements and disclosures intended to increase the usefulness to the reader.

For the year ended June 30, 2019, the School adopted the relevant provisions of ASU 2016-14 and similarly revised the presentation of its fiscal 2018 financial statements to align with the new reporting presentation.

**HARLEM CHILDREN'S ZONE
PROMISE ACADEMY CHARTER SCHOOL**
Notes to Financial Statements
June 30, 2019 and 2018

The School classifies its net assets in the following categories:

Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed stipulations and are, therefore, available for the general operations of the School.

Net Assets With Donor Restrictions

Represent net assets which are subject to donor-imposed restrictions whose use is restricted by time and/or purpose. Net assets with donor restrictions are subject to donor-imposed restrictions that require the School to use or expend the gifts as specified, based on purpose or passage of time. When donor restrictions expire, that is, when a purpose restriction is fulfilled or a time restriction ends, such net assets are reclassified to net assets without donor restrictions and reported on the statement of activities as net assets released from restrictions.

Net assets with donor restrictions also includes the corpus of gifts, which must be maintained in perpetuity, but allows for the expenditure of net investment income and gains earned on the corpus for either specified or unspecified purposes in accordance with donor stipulations. At June 30, 2019 and 2018, the School did not possess any funds required to be maintained in perpetuity.

Property and Equipment

Property and equipment purchased for a value greater than \$5,000 and with depreciable lives greater than one year are carried at cost, net of depreciation. Significant additions or improvements extending asset lives are capitalized; normal maintenance and repair costs are expensed as incurred. Leasehold improvements are amortized based on the lesser of the estimated useful life or remaining lease term.

Property and equipment used in operations are depreciated over their estimated useful lives using the straight-line method, as follows:

	<u>Useful Life (Years)</u>
Furniture, fixtures, and equipment	5
Leasehold improvements	5 - 31.5

Revenue

The School derives its revenue principally from the New York State and New York City governments, through the New York City Department of Education ("DOE") Office of Charter Schools, based on pupil enrollment for regular and special education. The balance of the revenue and support is derived from contributions and other government grants and contracts.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by explicit donor-imposed restrictions. Revenues based on pupil enrollment are recognized over the period earned. Revenue from grants and contracts is recognized as the related expenses are incurred, or

**HARLEM CHILDREN'S ZONE
PROMISE ACADEMY CHARTER SCHOOL**
Notes to Financial Statements

services performed, in accordance with the terms of the respective grant or contract agreement. Amounts received in advance are reported as deferred revenue.

The School records contributions of cash and other assets when an unconditional promise to give such assets is received from a donor. Contributions are recorded at the fair market value of the assets received and are classified as either support without donor restrictions or with donor restrictions, depending on whether the donor has imposed a restriction on the use of such assets. When a donor restriction expires (i.e., when a stipulated time restriction ends and/or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Receivables

Receivables contain some level of uncertainty surrounding timing and amount at collection. Therefore, management provides an allowance for doubtful accounts based on the consideration of the type of receivable, responsible party, the known financial condition of the respective party, historical collection patterns and comparative aging. These allowances are maintained at a level management considers adequate to provide for subsequent adjustments and potential uncollectible accounts. These estimates are reviewed periodically and, if the financial condition of a party changes significantly, management will evaluate the recoverability of any receivables from that organization and write off any amounts that are no longer considered to be recoverable. Any payments subsequently collected on such written-off receivables are recorded as income in the period received. As of June 30, 2019 and 2018, no allowance for doubtful accounts was required.

Accounting for Income Taxes

The School recognizes the tax effects from an uncertain tax position in the financial statements only if the position is “more-likely-than-not” to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

The School is exempt from federal income tax under Internal Revenue Code (“IRC”) section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the IRC. The School has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it was nexus; and to identify and evaluate other matters that may be considered tax positions. The School has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements for the years ended June 30, 2019 or 2018.

Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**HARLEM CHILDREN'S ZONE
PROMISE ACADEMY CHARTER SCHOOL**
Notes to Financial Statements
June 30, 2019 and 2018

Reclassifications

Certain items in the 2018 financial statements have been reclassified to conform to the current year presentation. These reclassifications did not have any effect on total assets, liabilities, net assets, revenues or expenses.

3. CASH

The School maintains cash balances in financial institutions, which generally exceed the amount insured by the Federal Depository Insurance Corporation ("FDIC") and subject the School to credit risk. The School monitors this risk on a regular basis and has not experienced, nor does it anticipate, nonperformance by any of these financial institutions.

4. RESTRICTED CASH

Pursuant to an addendum to the Charter Agreement dated May 14, 2014, with the DOE, the School is required to set up an escrow of at least \$70,000. In the event of termination of the Charter, whether prematurely or otherwise, the School shall establish and follow procedures consistent with those required by Section 2851(2)(t) of the New York State Education Law in its use of the escrow.

5. PUPIL ENROLLMENT AND OTHER REVENUES FROM GOVERNMENT AGENCIES

Under the School's Charter Agreement and the Charter Schools Act, the School is entitled to receive funding from state and federal sources that are available to public schools. These funds include New York City pupil enrollment funds, federal food subsidies, and Title I and Title II funds. The calculation of the amounts to be paid to the School under these programs is determined by the State and is based on complex laws and regulations, enrollment levels, and economic information related to the home school districts of the children enrolled in the School. If these regulations, some of which are relatively new in the State of New York, were to change, or other factors included in the calculations were to change, the level of funding that the School receives could vary significantly.

**HARLEM CHILDREN'S ZONE

6. PROPERTY AND EQUIPMENT, NET

At June 30, 2019 and 2018, property and equipment consisted of the following:

	2019	2018
Equipment	\$ 348,297	\$ 348,297
Furniture and fixtures	<u>19,577</u>	<u>19,577</u>
	367,874	367,874
Less: accumulated depreciation	<u>(367,874)</u>	<u>(366,845)</u>
Total	<u>\$ -</u>	<u>\$ 1,029</u>

Depreciation expense for the years ended June 30, 2019 and 2018 amounted to \$1,029 and \$4,179, respectively.

7. RETIREMENT PLAN

The School maintains the Alerus Tax Deferred Annuity Plan (the "Plan") with Alerus Retirement Solutions for all eligible employees. The Plan is non-contributory and employees become eligible once they have reached age 21 and have completed one year of service. Employees participating in the Plan will be fully vested after completing six years of service. Employer contributions made to the Plan are discretionary. For the years ended June 30, 2019 and 2018, contributions made to the Plan amounted to \$358,937 and \$354,484, respectively.

8. RELATED-PARTY TRANSACTIONS

Contributions

Deferred compensation plans

HCZ maintains a discretionary 457(f) plan and a Supplemental Bonus Plan for Teachers (effective January 1, 2016) for certain eligible employees of the School. Employees become eligible to participate in these plans based solely at the discretion of the School's Board of Trustees. The amounts contributed to the 457(f) plan and the Supplemental Bonus Plan for Teachers become vested five and three years, respectively, after the date of the initial contribution for all eligible employees. Amounts contributed to these plans are paid to eligible employees when vested. Terminated employees become vested immediately at the date of their termination. HCZ provides the School with an annual subsidy to cover this cost by contributing to a HCZ investment account. During fiscal 2019 and 2018, HCZ provided a net subsidy of \$1,380,123 and \$1,195,126, respectively, for contributions to these plans. These amounts are recorded within contributions – related parties and a corresponding expense on the accompanying statements of activities. The cumulative amount due from HCZ relating to these plans totaled \$7,749,154 and \$5,690,673 at June 30, 2019 and 2018, respectively. The cumulative amount due to eligible employees totaled \$4,016,486 and \$4,205,622 at June 30, 2019 and 2018, respectively. Amounts due from HCZ in excess of amounts due to eligible employees represents reimbursements of amounts already paid by the School in advance of receiving the funds from HCZ.

Other

Certain expenses are shared amongst the School, HCZ and Harlem Children's Zone Promise Academy II Charter School ("PA II"). Shared expenses primarily relate to prorated salaries and other expenses that are allocated amongst the School, HCZ and PA II. Amounts may also be received by the School on behalf of HCZ or PA II, and amounts may also be granted to the School from HCZ. At June 30, 2019 and 2018, due from related parties totaled \$1,628,337 and \$2,229,609, respectively, pertaining to these related party transactions.

HCZ also provided the School with grants in the amounts of \$1,142,775 and \$1,086,550 in fiscal 2019 and 2018, respectively, which are included in contributions – related parties on the accompanying statements of activities.

Contributed Services

HCZ provides the School with certain services at no cost. For the years ended June 30, 2019 and 2018, the School recognized revenues and corresponding expenses for contributed services of \$490,714 and \$529,733, respectively.

Contribution receivable - contributed space

During the fiscal year ended June 30, 2011, HCZ entered into agreements for the construction of a new charter school (the "School Project"). The agreements provided that the New York School Construction Authority (the "SCA") contribute up to \$60,000,000 towards the School Project, with the estimated balance of approximately \$40,000,000, to be contributed by HCZ or other donors. After completion of construction

**HARLEM CHILDREN'S ZONE
PROMISE ACADEMY CHARTER SCHOOL**
Notes to Financial Statements

and issuance of the certificate of occupancy, title to the School Project was transferred to the DOE, leased back to HCZ, and portions of the premises sub-leased to the School. The lease agreement designates HCZ and the School as initial users of the premises.

Upon execution of the sublease agreement in fiscal 2015, the School recorded \$73,279,162 as a contribution receivable - contributed space, and recognized contribution revenue with donor restrictions, which represents the imputed fair value of the space under the lease. The receivable is being amortized to rent expense, and the related net assets with donor restrictions are released from restrictions, over the term of the lease. For each of the years ended June 30, 2019 and 2018, amortization expense totaled \$1,831,979. The sub-lease is for a period of 40 years and will expire in August 2054. Under the terms of the lease, the School is not required to pay any consideration for use of the space. Net assets with donor restrictions of \$64,119,267 and \$65,951,246 as of June 30, 2019 and 2018, respectively, represent the unamortized receivable pertaining to the sublease agreement.

9. CONCENTRATION OF RISK

The School is dependent on various government agencies for funding and is responsible for meeting the requirements of such agencies. If the School were to lose students or the related government funding, it could have a substantial effect on the School's ability to continue operations.

As discussed in Note 8, HCZ makes contributions to the School and donates services. If this relationship were to change or cease, such change could have a substantial effect on the School's ability to continue operations.

10. CONTINGENCIES

Government Agency Audits

The School participates in a number of federal and state programs. These programs require that the School comply with certain requirements of laws, regulations, contracts, and agreements applicable to the programs in which it participates. All funds expended in connection with government grants and contracts are subject to audit by government agencies. While the ultimate liability, if any, from any such audits of government contracts by government agencies is presently not determinable, it should not, in the opinion of management, have a material effect on the School's financial position or change in net assets. Accordingly, no provision for any such liability that may result has been made in the accompanying financial statements.

Litigation

The School, in the normal course of its operations, is a party to various legal proceedings and claims. While it is not feasible to predict the ultimate outcomes of such matters, management of the School is not aware of any claims or contingencies that would have a material adverse effect on the School's financial position or change in net assets.

**HARLEM CHILDREN'S ZONE
PROMISE ACADEMY CHARTER SCHOOL**
Notes to Financial Statements
June 30, 2019 and 2018

11. LIQUIDITY AND AVAILABILITY OF RESOURCES

The School closely monitors cash flows to ensure adequate resources are available at any given time to meet current and upcoming obligations. Strong emphasis on budget and treasury management is undertaken in an effort to anticipate organizational needs during both the short- and long-term. In doing so, the School is able to avoid large idle cash balances that would otherwise represent an opportunity cost to the School.

Government grant revenue represents the majority of funding received for School operations. As such, the School puts considerable focus on grants management to make certain that necessary funding is both calculated accurately and received timely.

Finally, if significant unforeseen liquidity issues arise, the School would seek funding and assistance from its Instructional Partner, Harlem Children's Zone, Inc., to address potential shortfalls, mitigate any operational issues that could result, and develop a long-term remedy.

The School's financial assets available within one year of June 30, 2019 for general expenditure are as follows:

Cash	\$ 1,698,363
Government grants and contracts receivable	473,384
Due from related parties	<u>1,628,337</u>
Financial assets available for general expenditures within one year	<u>\$ 3,800,084</u>

12. SUBSEQUENT EVENTS

The School evaluated its June 30, 2019 financial statements for subsequent events through October 30, 2019, the date the financial statements were available to be issued. The School is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of
Harlem Children's Zone Promise Academy Charter School:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Harlem Children's Zone Promise Academy Charter School (the "School"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2019.

Internal control over financial reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the School's internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and other matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the

determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2018-19 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners/Multilingual learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2019-20.

HARLEM CHILDREN'S ZONE PROMISE ACADEMY CHARTER SCHOOLSection Heading

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2018-19	Describe Recruitment Plans in 2019-20
Economically Disadvantaged	For the 2018-2019 school year, Promise I sent out about 7,500 postcards to families across Harlem using the DOE's contractor Vanguard, who have addresses for students in particular grade levels. Through this method, we're able to target zip codes in the most underserved areas of Manhattan. We also moved our kindergarten lottery date to July, which includes a preference for low income families and families living in NYCHA's St. Nicholas Housing Development. The lottery was previously held in August, the only month that are scholars do not attend school. Since we have a sibling preference, we wanted to ensure that our families could fully participate.	In 2019-2020, we will continue to target low income, underserved areas in Manhattan to recruit students. We are also holding the 2019 lottery in July to ensure that our families can attend. When reaching out to wait listed families, we will continue to inform them of the wrap around services we provide, which is free of charge (i.e. free uniform, free breakfast, etc)
	The portion of students who are officially designated as English Language Learners (ELLs) is lower than that of the district. While we do target recruitment and enrollment efforts at families for who English is not the primary language, we also intervene early, working with our students when they are three years old in our Early Childhood Program. We believe this early intervention helps our young people develop the necessary English skills to pass the NYSITELL assessment at kindergarten entry,	

preventing them from ever being officially labeled as ELLs. Strategies for ELL Recruitment for the Harlem Children's Zone (HCZ) and Promise Academy starts when parents are expecting or have a child under the age of four. The Baby College, one of the HCZ programs, blankets the neighborhood with teams of outreach workers who encourage participation of all families with a child in the appropriate age range (up to age three, including pregnant mothers who have not yet given birth.) These outreach workers talk to people in the communities and surrounding neighborhoods, go door-to-door in apartment buildings, and advertise at local businesses and non-profits. The outreach teams include workers who speak Spanish and French, as well as some of the more common West African dialects spoken by many recent immigrants in the neighborhood. Recruitment materials are offered in Spanish and French, as well as the Baby College application. Baby College has approximately five 9-week cycles each year and each cycle has a French class and a Spanish class available. After participation in Baby College, HCZ staff remains in contact with parents. They are encouraged to participate in special events and receive check-in phone calls. In the summer of the year their child turns three, Baby College graduates are encouraged to enter the Promise Academy lottery. The lottery is also advertised through all of the HCZ programs in the neighborhood, more than 30 distinct program sites. Families selected in the lottery are offered the chance to participate in Three Year Old Journey, a 12-week program of Saturday classes for parents while their children receive enrichment in pre-school classrooms. When the children are four, they are offered a spot in Harlem Gems, an enrichment pre-kindergarten program with a focus on early literacy development which provides instruction in Spanish and French to all students. While not all Promise Academy kindergarteners have participated in the HCZ early childhood programs, the majority of them have. Consequently, we believe that our results on the NYSITELL underestimate the number of students who are learning English primarily at school. While there is no equivalent exam

In order to attract additional families, efforts will be made in: (1) Distributing and maintaining information/documents in a variety of languages on hand at each site, so that interested parents who walk in for information can readily have access to it; (2) Orientation explaining the process for ESL identification to our early childhood parents prior to their children transitioning to kindergarten at Promise Academy; (3) Having a translator sit down with parents to complete the Home Language Survey; and (4) Administering an interview in English and the student's home language.

for pre-kindergarten students, we think that if we were able to assess our students when entering Gems, we would find a higher ELL rate. In summary, our recruitment efforts include: (1) outreach within the community; (2) academic support services for our ELLs within the Gems program; (3) services in our various early childhood programs from Baby College to Three-Year-Old Journey and Harlem Gems preschools; and (4) sibling preference in the lottery

Our recruitment efforts included informing parents via the distribution of flyers and sharing information during the application process that we provide inclusion classroom settings and special education services. Through our institutional partnership with HCZ, our staff members inform parents of children living in Harlem that Promise Academy welcomes students with disabilities. Additionally, since some of our applicants have siblings who already attend our school, we have consistently provided information for our current Promise Academy parents about our special education services. We hosted a community event for parents about Understood.org, which is an online resource for parents of children who learn differently. In 2018-2019, in order to improve recruitment to students with disabilities, we took advantage of more opportunities to inform parents about the special education services at Promise Academy by attending HCZ Early Childhood events and providing information to the parents of three and four year olds. We worked closely with the Committee on Special Education to make sure that families are informed about the range of services. We held an information session at our lottery, so that the families of lottery winners and wait listed children are informed earlier of the services we provide. Information sessions have also been provided to the parent association board so get their assistance in informing more parents in the community.

Going forward, we plan to continue our efforts to host events and draw in families within the Harlem community to share information about special education processes and the services we offer at our Promise Academy Charter Schools. All of our teachers have access to the expertise of special education staff. This resource enhances all teachers' ability to reach their students and we plan to advertise this as part of our recruitment efforts in 2019-2020. We will also continue to offer intervention services for general education students who need additional support. Though the upward trend has been marginal, we believe growth is the result of the addition of the site coordinator role, where professionals with expertise in special education identified students with special needs advocating for them to receive services through the CSE. We will continue expanding upon that practice with the addition of the special education manager role.

Retention Efforts Toward Meeting Targets

Describe Retention Efforts in 2018-19

Describe Retention Plans in 2019-20

Economically Disadvantaged	To ensure that our applicants, which are from primarily low income families, suffer no hardships associated with their scholars receiving a high quality education, we provide free breakfast and lunch every day, free uniforms every year. We also provide wrap around services for our families including social work intervention, free after school services, tax preparation, free legal services and more.	In 2019-2020, we will continue to provide free wrap around services for our students and their families, as well as a free uniform, free breakfast and free lunch. Our high school students also receive help from our Center for Higher Education and Career Support, in order to help them obtain jobs and internships while as they transition into college.
English Language Learners/Multilingual Learners	In order to retain families, Promise Academy I offered the following: (1) family orientation in the beginning of the year to welcome parents who speak a variety of languages, with translators on hand. It is an opportunity to share the ELL identification process and answer any questions that may arise: (2) Free meals; (3) ELL support, including intervention; (4) professional development for ESL teachers on best practices; and (5) disaggregating data by student groups and looking for positive gains and reductions in classification, hiring staff with appropriate certification, having an inclusive school culture.	<p>In order to ensure that we retain our current families, Promise Academy will continue to offer the following:</p> <ul style="list-style-type: none"> ● Family orientation in the beginning of the year to welcome parents who speak a variety of languages, with translators on hand. Students with Disabilities	In the 2018-2019 school year, we took more opportunities to inform our current parents of the special education services at Promise Academy by having Special Education Managers at events across the year to inform parents about our services and to meet with parents during parent/teacher conferences to show the progress that scholars were making with the appropriate services in place. Report changes in teacher and administrator staffing.

Instructions for completing the Classroom Teacher and Administrator Attrition Tables

Charter schools must complete the tables titled 2018-2019 Classroom Teacher and Administrator Attrition to report changes in teacher and administrator staffing during the 2018-2019 school year. Please provide the full time equivalent (FTE) of staff on June 30, 2018; the FTE for any departed staff from July 1, 2018 through June 30, 2019; the FTE for added staff from July 1, 2018 through June 30, 2019; and the FTE of staff added in newly created positions from July 1, 2018 through June 30, 2019 using the tables provided.

1. Classroom Teacher Attrition Table

	FTE Classroom Teachers on 6/30/18	FTE Classroom Teachers Departed 7/1/18 - 6/30/19	FTE Classroom Teachers Filling Vacant Positions 7/1/18 - 6/30/19	FTE Classroom Teachers Added in New Positions 7/1/18 - 6/30/19	FTE of Classroom Teachers on 6/30/19

3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher’s advancement up the ladder to a leadership position within the network or an administrator’s movement to lead a new network charter school.

We typically promote from within. All of our principals are former teachers or administrators from Promise Academy. Although, there was another big focus on teacher retention, continuing our past initiatives, a change in leadership contributed to a higher attrition rate. Additionally, the 18-19 school year was restructured in order to create a more efficient system, especially in regards to support of students transitioning into testing grades. The two elementary schools were merged, some positions were eliminated, and leadership changed across all school levels. This was a transition year for Promise Academy I.

4. Charter schools must ensure that all prospective employees receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Yes

Instructions for Reporting Percent of Uncertified Teachers

The table below is reflective of the information collected through the online portal for compliance with New York State Education Law 2854(3)(a-1) for teaching staff qualifications. Enter the relevant full time equivalent (FTE) count of teachers in each column. For example, a school with 20 full time teachers and 5 half time teachers would have an FTE count of 22.5. If more than one column applies to a particular teacher, please select one column for the FTE count. Please do not include paraprofessionals, such as teacher assistants.

FTE count of uncertified teachers on 6/30/18, and each uncertified teacher should be counted only once.

	FTE Count
1. Total FTE count of uncertified teachers (6-30-19)	11.5
2. FTE count of uncertified teachers with at least three years of elementary, middle or secondary classroom teaching experience (6-30-19)	7.5
3. FTE count of uncertified teachers who are tenured or tenure track college faculty (6-30-19)	0
4. FTE count of uncertified teachers with two years of Teach for America experience (6-30-19)	0
5. FTE count of uncertified teachers with exceptional business, professional, artistic, athletic, or military experience (6-30-19)	0
6. FTE count of uncertified teachers who do not fit into any of the prior four categories (6-30-19)	4

FTE Count of All Uncertified Teachers as of 6/30/19 11.5

FTE Count of All Certified Teachers as of 6/30/19 48.5

Thank you.
