## **g. Approved School Mission and Key Design Elements**

*(Regents, NYCDOE and Buffalo BOE authorized schools only)*

The mission of the Harlem Children's Zone Promise Academy Charter Schools (HCZ Promise Academy) is to provide high quality, standards-based academic programs for students, grades K-12, from underserved communities and underperforming school districts, and to provide students with the skills they need to be accepted by and succeed in college. HCZ Promise Academy promotes high achievement in all subjects through a demanding curriculum, extensive supportive services and the use of data-driven teaching methods. HCZ Promise Academy is committed to promoting academic accomplishment, positive character development, healthy lifestyles, and leadership skills. In partnership with the Harlem Children's Zone, HCZ Promise Academy addresses the educational and developmental needs of each scholar.

### **Data-Driven Instruction:**

HCZ Promise Academy believes that all students have different instructional needs, and it is our job to find ways to identify and address those needs. We are committed to collecting and analyzing data both in and out of the classroom. Our goal is to place equal emphasis on quantitative and qualitative data as it pertains to academics and social development. We collect and effectively analyze scholar performance data and create actionable plans to address deficiencies.

### **Training and Professional Development:**

Professional development is a critical part of the daily functionality at HCZ Promise Academy. The Training & Development Team provides ongoing professional learning for Promise educators. By providing cyclical, high-quality coaching to new and struggling teachers and leading network-wide PDs, the T&D Team increases the educational capacity of Promise teachers to deliver high-quality instruction. Our staff also have access to a large network of PD opportunities through external partnerships.

### **Career and College Readiness:**

HCZ Promise Academy scholars will graduate ready for college and the career of their choice. The high school offers advanced placement courses that prepare scholars to meet college and career readiness standards during instruction. Scholars engage in community service, college exposures and a variety of internships to become culturally informed and are offered services from the Center for Higher Education and Career Support with advisors

who help and guide them before, during and after college.

#### Pipeline of Services:

We offer a pipeline of services such as healthy nutrition, access to social services, foster care prevention, and after-school with additional opportunities that ensure our students begin on the same playing field as children from more affluent communities. We also have a fully operational health center for all Promise students and partner with proven organizations so that our children get the services they need to develop as healthy scholars.

#### Social and Emotional Learning (SEL):

SEL is embedded into school culture and drives school-wide practices and policies. Promise Academy uses five core competencies as its SEL framework: self-awareness; self-management; social awareness; relationship skills; and responsible decision making. All are directly and indirectly incorporated into core subjects. Promise has a long-term vision to implement K-12 sequential curriculum and programming to support SEL development in HCZ Promise Academy scholars.

#### Response to Intervention (RTI):

HCZ Promise Academy uses Response to Intervention (RTI), an approach that ensures early identification of scholars who need support to succeed academically and emotionally. Teachers use data to identify scholars who are experiencing barriers to learning. They monitor the scholars' progress and provide evidence-based interventions, which are continuously reviewed, assessed and adjusted depending on each scholar's responsiveness.

#### Recruitment & Retention:

The recruitment team finds quality candidates and works with leadership using strategies: attending/hosting teacher recruitment fairs and events, internet job postings, advertisements, employee referrals, and partnering with programs such as Teach for America. Student teachers from reputable universities are trained in Promise classrooms with a focus on a data-driven positive school culture. The team works with school and network leaders to support strategies for retaining high-quality talents.

## Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2022-2023	Describe Recruitment Plans in 2023-2024
Economically Disadvantaged	<p>HCZ Promise Academy consistently targets “the Zone,” which is 97 blocks of Harlem, an underserved community. Additionally, we give preference in our lottery for low-income residents, and for our HCZ Promise Academy I located at 245 West 129th Street, we give preference in our lottery for St. Nicholas residents.</p> <p>However, the effects of Covid continue to play a significant role as families change residents, jobs, and overall circumstances in order to navigate an ever-shifting post-pandemic world. The economically disadvantaged, in particular, have been affected by Covid disproportionately, sometimes causing severe disruption in a family's living situation. Finally, the latest recession continues to challenge the low-income community that we serve, as the Harlem community is plagued with rent increases and the gentrification of Harlem. To support the needs of our families and to communicate with them effectively about our services and support, HCZ Promise Academy has worked very closely with the HCZ Communication Department - which recently redeveloped to meet the growing needs of the organization. In 2023, HCZ hired a director of marketing who focuses primarily on recruiting new HCZ Promise Academy staff and students using newly developed marketing</p>	<p>HCZ Promise Academy has engaged in its normal recruiting practices for the upcoming school year but has also created strategies in partnership with the Director of Marketing. There are plans to:</p> <ul style="list-style-type: none"> <li>- Redesign our HCZ Promise Academy website to align with HCZ's branding</li> <li>- Streamline our social media process</li> <li>- Increase our online presence</li> <li>- Direct enrollment requests and applications from the main HCZ website</li> <li>- Add more large physical banners at the new location at 70 East 112th Street</li> <li>- Implement advertising at local businesses</li> <li>- Streamline and centralize events calendar</li> </ul> <p>Further, we will work closely with HCZ programs and other programs in Harlem to draw potential applicants, including HCZ's Baby College, 3-Year-Old Journey, Gems, and others.</p> <p>Finally, we anticipate that communicating our lottery preferences which include low-income families more consistently, will continue to act as an incentive for low-income families.</p>

and branding tools created by the Comms team. Further, with the opening in January 2023 of our new location at the Sendero Verde building, the Communications Department and HCZ Promise Academy Charter Schools expanded their efforts to CSD 04.

We also engaged the following additional recruiting practices:

- Consistent communication to waitlist applicants via SchoolMint
- Flyers and online events that inform the community that our pipeline of services is free of charge (including one uniform per child, breakfast, lunch, social services, etc.)
- Working collaboratively with preschools and agencies that serve low-income families
- Partnered with Comms Dept for support with advertising, social media, and other methods and platforms.
- Door-to-door visits with translators who give parents information and answer questions they may have about our services.
- Connecting with former participants to encourage referrals.
- Connecting with the Promise Academy Parent Association (PAPA) board to communicate effectively with other parents.
- Collaborate efforts at every level, including HCZ's pre-k Gems program to ensure that similar language is being used to communicate our services.

English Language Learners

HCZ Promise Academy has a kindergarten lottery preference for English Language Learners, with the intention of drawing applicants

Students with Disabilities	<p>HCZ Promise Academy continued practices from the previous year, adding more in-person events and connections to parents while also keeping safety measures in place with the understanding that not all families have a Covid vaccination. Yet, we understand the importance of connecting with families in-person, in order to properly communicate and connect with parents on challenging issues and questions. Balancing these important perspectives has been an ongoing challenge. In 2023-2024, we increased in-person outreach throughout the community but also had virtual sessions that families could join to mitigate the risk of an outbreak.</p>	<p>For the upcoming 2023-2024 school year, we will continue practices from the previous year and add the following supports:</p> <ul style="list-style-type: none"> <li>- SpEd Coaches will attend information sessions to educate parents about Special Services.</li> <li>- Increased in-person connections in the Harlem community.</li> <li>- Increased in-person outreach to CSD 04 to accommodate families and acclimate them to our presence and new location at 70 East 112th Street.</li> <li>- Working very closely with the new Director of Marketing to communicate online effectively.</li> </ul>

We worked closely with the PAPA board, educating them about the services we provide so that families within the community could learn by word-of-mouth.

With the addition of a Communications department, including a Director of Marketing who will work closely with Promise Academy. The Director of Marketing and his/her team will strategize and implement campaigns to reach special populations in the Harlem community.

## Good Faith Efforts To Meet Enrollment Retention Targets

	Describe Retention Efforts in 2022-2023	Describe Retention Plans in 2023-2024
Economically Disadvantaged	<p>Our intention is to mitigate the financial burdens on our applicants and their families.</p> <p>For the 2022-2023 school year, we provided the following for our scholars:</p> <ul style="list-style-type: none"> <li>- Free breakfast and lunch every day and free uniforms every year</li> <li>- Wrap-around services for our families, including social work intervention, free after-school services, tax preparation, free legal services, and much more.</li> </ul> <p>We also consistently communicate the free services that we offer during the enrollment season so that our new families are incentivized to remain with us.</p> <p>HCZ Promise Academy Charter School strives to maintain a healthy school culture so that scholars have a pleasant experience. This year, we expanded our Positive Behaviors and Interventions team, adding two new members. The team is charged with supporting scholars' behavioral, academic, social, emotional, and mental health to help them thrive in the school environment. The PBIS Director works closely with the Director of Social Emotional Learning and HCZ's social services team to support scholars.</p> <p>In addition to the offerings we provided last year, we:</p> <ul style="list-style-type: none"> <li>- Worked with the Communications department to distribute key</li> </ul>	<p>HCZ Promise Academy will continue to reduce the financial burden for families by offering them free services, uniforms, breakfast, and lunch and opportunities that broaden their scope and knowledge.</p> <p>As we further develop our Positive Behaviors and Interventions team and their collaboration with the Social Emotional Learning team and HCZ's social services, we will work towards reducing the impact of behavioral issues caused by Covid and the lack of socialization during the quarantine and hybrid periods. We also seek address the increase of mental health issues caused by Covid.</p> <p>As HCZ Promise Academy leaders, we believe that addressing the biggest hurdles in our economically disadvantaged community will encourage families to work and stay with us as we navigate these difficult times. Student debt has often been a hardship for our community and a hindrance for scholars who would like to study at schools that are ultimately too expensive. Besides the scholarship programs that HCZ provides for our graduating scholars, our Wealth Builds department is working towards creating programs that will reduce and even eliminate student debt for HCZ Promise Academy scholars. ## **Entry 10 – Teacher and Administrator Attrition**

Completed - Oct 30 2023

### **Form for "Entry 10 – Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation**

## A. TEACH System – Employee Clearance

### Required of ALL Charter Schools

Charter schools must ensure that all prospective employees<sup>[1]</sup> receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

#### 1. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

<sup>[1]</sup> Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employee-fingerprint-oct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospa/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

### Emergency Conditional Clearances

## Entry 13 School Calendar

Completed - Nov 1 2023

[Instructions for submitting School Calendar](#)

### Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2023 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2023**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools "... *unless the school's charter requires more instructional time than is required under the regulations.*"

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month (also used to align to schools with extended days/years referenced in their mission statements/key design elements). See an example of a calendar showing the requested information. Schools **must** use a calendar format and ensure there is a monthly tally of instructional days.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

To the Board of Trustees of  
Harlem Children's Zone Promise Academy II Charter School

**Report on the financial statements****Opinion**

We have audited the financial statements of Harlem Children's Zone Promise Academy II Charter School (the "School"), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for opinion**

We conducted our audits of the financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Emphasis of matter**

As discussed in Note 2 to the financial statements, as of July 1, 2022, the School adopted FASB ASC 842, *Leases*. Our opinion is not modified with respect to this matter.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other reporting required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 1, 2023 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

# Harlem Children's Zone Promise Academy II Charter School

## NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

### NOTE 1 - NATURE OF OPERATIONS

Harlem Children's Zone Promise Academy II Charter School (the "School") is a public charter school that is open to all New York City public school children via a lottery. Opened in 2005, the School features small class sizes, an extended day and year, high expectations, and access to an extended support system through its Institutional Partner, Harlem Children's Zone, Inc. ("HCZ").

HCZ is a not-for-profit organization that offers a wide array of education and social programs to the children and families of Harlem. Created in 1970 as a truancy prevention agency (then called "Rheedlen Centers for Children and Families"), HCZ has expanded its services to address the needs of children from birth through college, and as part of that mission, it also works to strengthen families and the surrounding community.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### ***Basis of Presentation***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The School classifies its net assets in the following categories:

#### Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed stipulations and are, therefore, available for the general operations of the School.

#### Net Assets With Donor Restrictions

Represent net assets which are subject to donor-imposed restrictions whose use is restricted by time and/or purpose. Net assets with donor restrictions are subject to donor-imposed restrictions that require the School to use or expend the gifts as specified, based on purpose or passage of time. When donor restrictions expire, that is, when a purpose restriction is fulfilled or a time restriction ends, such net assets are reclassified to net assets without donor restrictions and reported on the statement of activities as net assets released from restrictions.

Net assets with donor restrictions also includes the corpus of gifts, which must be maintained in perpetuity, but allows for the expenditure of net investment income and gains earned on the corpus for either specified or unspecified purposes in accordance with donor stipulations. At June 30, 2023 and 2022, the School did not possess any net assets with donor restrictions.

#### ***Functional Expenses***

The costs of providing the various programs and other activities of the School have been summarized on a functional basis in the statements of activities and functional expenses, which includes all operating expenses incurred during the year. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management allocates the direct costs of its operations to its programs and services on an equitable basis based on either financial or non-financial data, such as the percentage of direct labor costs charged to each program and supporting services by the School staff.

Harlem Children's Zone Promise Academy II Charter School

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2023 and 2022

**Cash and Cash Equivalents**

The School considers money market fund investments and all highly liquid debt instruments with a maturity of three months or less on the date of acquisition to be cash equivalents.

**Property and Equipment**

Property and equipment purchased for a value greater than \$5,000 and with depreciable lives greater than one year are carried at cost, net of depreciation. Significant additions or improvements extending asset lives are capitalized; normal maintenance and repair costs are expensed as incurred. Leasehold improvements are amortized based on the lesser of the estimated useful life or remaining lease term.

Property and equipment used in operations are depreciated over their estimated useful lives using the straight-line method, as follows:

	Useful Life (Years)
Furniture, fixtures, and equipment	5
Leasehold improvements	5 - 31.5

**Revenue**

The School derives its revenue principally from the New York State and New York City governments, through the New York City Department of Education ("DOE") Office of Charter Schools, based on pupil enrollment for regular and special education. The balance of the revenue and support is derived from contributions and other government grants and contracts.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by explicit donor-imposed restrictions. Revenues based on pupil enrollment are recognized over the period earned. Revenue from grants and contracts is recognized as the related expenses are incurred, or services performed, in accordance with the terms of the respective grant or contract agreement. Amounts received in advance are reported as deferred revenue.

The School records contributions of cash and other assets when an unconditional promise to give such assets is received from a donor. Contributions are recorded at the fair market value of the assets received and are classified as either support without donor restrictions or with donor restrictions, depending on whether the donor has imposed a restriction on the use of such assets. When a donor restriction expires (i.e., when a stipulated time restriction ends and/or a purpose restriction is accomplished), such net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The School follows guidance which requires organizations to determine whether a contribution is conditional based on whether an agreement includes a barrier that must be overcome and either a right of return of assets transferred or a right of release of a promisor's obligation to transfer assets. If the agreement (or a referenced document) includes both, the recipient is not entitled to the transferred assets (or a future transfer of assets) until it has overcome the barriers in the agreement.

The School received a conditional contribution in the amount of \$3,000,000 during the year ended June 30, 2021. This gift was conditioned upon the satisfaction of certain milestones and other requirements stipulated within the related agreement. The School recognized revenue under this agreement in the amount of \$500,000 and \$1,250,000 during the years ended June 30, 2023 and 2022, respectively. The

**Harlem Children's Zone Promise Academy II Charter School**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2023 and 2022**

remaining \$1,250,000 of conditional support related to this pledge will be recognized as revenue as the milestones and other requirements stipulated within the agreement are satisfied.

***Receivables***

Receivables contain some level of uncertainty surrounding timing and amount of collection. Therefore, management provides an allowance for doubtful accounts based on the consideration of the type of receivable, responsible party, the known financial condition of the respective party, historical collection patterns and comparative aging. These allowances are maintained at a level management considers adequate to provide for subsequent adjustments and potential uncollectible accounts. These estimates are reviewed periodically and, if the financial condition of a party changes significantly, management will evaluate the recoverability of any receivables from that organization and write off any amounts that are no longer considered to be recoverable. Any payments subsequently collected on such written-off receivables are recorded as income in the period received. As of June 30, 2023 and 2022, no allowance for doubtful accounts was required. Receivables as of June 30, 2023 and 2022 are expected to be collected within one year.

***Contributions In-Kind***

The School receives certain nonfinancial assets that meet the criteria established by U.S. GAAP for recognition as contributions. Such contributions, which are primarily professional services, space and utilities, are recognized at fair value within contributions in-kind in the statements of activities with corresponding amounts recorded within expenses as they were utilized during the same fiscal year. During the years ended June 30, 2023 and 2022, the School received donations of books and software with a fair value of \$87,241 and \$48,035, respectively, which were utilized in operations during those fiscal years. The School also recognized revenues and corresponding expenses for contributed space and utilities from the DOE for the years ended June 30, 2023 and 2022 of \$629,055 and \$1,677,481 respectively. These revenues are reflected as contributions in-kind - other on the accompanying statements of activities. The fair value of contributed books and software was determined based upon the purchase price to acquire equivalent goods in similar markets. Contributed space and utilities are valued at their estimated fair values based on current rates for the use of similar space and associated utilities. Contributions in-kind received from related parties are detailed in Note 8. Contributions in-kind received during the years ended June 30, 2023 and 2022 did not carry any donor-imposed restrictions.

***Accounting for Income Taxes***

The School recognizes the tax effects from an uncertain tax position in the financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

The School is exempt from federal income tax under Internal Revenue Code ("IRC") section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the IRC. The School has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it was nexus; and to identify and evaluate other matters that may be considered tax positions. The School has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements for the years ending June 30, 2023 or 2022.

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2023 and 2022

#### ***Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### ***Adopted Accounting Pronouncement (Change in Accounting Principle)***

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. This ASU requires lessees to recognize a lease liability and a right-of-use ("ROU") asset on a discounted basis, for substantially all leases, as well as additional disclosures regarding leasing arrangements. Disclosures are required to enable users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which provided an optional transition method for applying the new lease standard. Topic 842 can be applied using either a modified retrospective approach at the beginning of the earliest period presented or, as permitted by ASU 2018-11, at the beginning of the period in which it is adopted, (i.e., the comparatives under Accounting Standards Codification ("ASC") 840 option).

The School adopted Topic 842 on July 1, 2022 (the effective date), using the comparatives approach under ASC 840 transition method, which applies Topic 842 at the beginning of the period in which it is adopted. Prior period amounts have not been adjusted in connection with the adoption of this standard. The School similarly elected the package of practical expedients under the new standard, which permits entities to not reassess lease classification, lease identification or initial direct costs for existing or expired leases prior to the effective date.

The School determines if an arrangement is a lease or contains a lease at inception of a contract. A contract is determined to be or contain a lease if the contract conveys the right to control the use of identified property, plant, or equipment (an identified asset) in exchange for consideration. The School determines these assets are leased because the School has the right to obtain substantially all of the economic benefit from and the right to direct the use of the identified asset. Assets in which the supplier or lessor has the practical ability and right to substitute alternative assets for the identified asset and would benefit economically from the exercise of its right to substitute the asset are not considered to be or contain a lease because the School determines it does not have the right to control and direct the use of the identified asset. The School's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating its contracts, the School separately identifies lease and non-lease components, such as common area and other maintenance costs, in calculating the ROU assets and lease liabilities for its office space. The School has elected the practical expedient to not separate lease and non-lease components and classifies the contract as a lease if consideration in the contract allocated to the lease component is greater than the consideration allocated to the non-lease component.

Leases result in the recognition of ROU assets and lease liabilities on the statement of financial position. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The School determines lease classification as operating or finance at the lease commencement date.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. The School has made a policy election to use a risk-free rate per U.S. Treasury instrument for the initial and subsequent measurement of all lease liabilities. The risk-free rate is determined using a period comparable with the lease term.

**Harlem Children's Zone Promise Academy II Charter School**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2023 and 2022**

The portion of payments on operating lease liabilities related to interest, along with the amortization of the related ROU, is recognized as occupancy expense. This occupancy expense is recognized on a straight-line basis over the term of the lease. The portion of payments on finance lease liabilities related to interest and the amortization of the ROU assets under finance leases are reflected within occupancy expense on the accompanying statement of functional expenses.

The lease term may include options to extend or to terminate the lease that the School is reasonably certain to exercise. Lease expense is generally recognized on a straight-line basis over the lease term.

The School has elected not to record leases with an initial term of 12 months or less on its statement of financial position. Lease expense on such leases is recognized on a straight-line basis over the lease term.

The most significant impact of adoption was the recognition of operating lease ROU assets and operating lease liabilities of \$4,334,382 and \$4,335,241, respectively. The School was not obligated under any finance leases as of July 1, 2022. The standard did not significantly affect the School's changes in net assets or cash flows.

**NOTE 3 - CASH AND CASH EQUIVALENTS**

The School maintains cash and cash equivalent balances in financial institutions, which generally exceed the amount insured by the Federal Depository Insurance Corporation and subject the School to credit risk. The School monitors this risk on a regular basis and has not experienced, nor does it anticipate, nonperformance by any of these financial institutions.

**NOTE 4 - RESTRICTED CASH**

Pursuant to an addendum to the Charter Agreement dated February 3, 2015, with the DOE, the School is required to set up an escrow of at least \$70,000. In the event of termination of the Charter, whether prematurely or otherwise, the School shall establish and follow procedures consistent with those required by Section 2851(2)(t) of the New York State Education Law in its use of the escrow.

**NOTE 5 - PUPIL ENROLLMENT AND OTHER REVENUES FROM GOVERNMENT AGENCIES**

Under the School's Charter Agreement and the Charter Schools Act, the School is entitled to receive funding from state and federal sources that are available to public schools. These funds include New York City pupil enrollment funds, federal food subsidies, and Title I and Title II funds. The calculation of the amounts to be paid to the School under these programs is determined by the State and is based on complex laws and regulations, enrollment levels, and economic information related to the home school districts of the children enrolled in the School. If these regulations, some of which are relatively new in the State of New York, were to change, or other factors included in the calculations were to change, the level of funding that the School receives could vary significantly.

vested after completing six years of service. Employer contributions made to the Plan are discretionary. For the years ended June 30, 2023 and 2022, contributions made to the Plan amounted to \$314,793 each year.

**NOTE 8 - RELATED-PARTY TRANSACTIONS**

***Contributions***

Deferred Compensation Plans

HCZ maintains a discretionary 457(f) plan and a Supplemental Bonus Plan for Teachers (effective January 1, 2016) for certain eligible employees of the School. Employees become eligible to participate in these plans based solely at the discretion of the School's Board of Trustees. The amounts contributed to the 457(f) plan and the Supplemental Bonus Plan for Teachers become vested five and three years, respectively, after the date of the initial contribution for all eligible employees. Amounts contributed to these plans are paid to eligible employees when vested. Terminated employees become vested immediately at the date of their termination. HCZ provides the School with an annual subsidy to cover this cost by contributing to a HCZ investment account. During fiscal 2023 and 2022, HCZ provided a net subsidy of \$625,166 and \$630,627, respectively, for contributions to these plans. These amounts are recorded within contributions - related party and a corresponding expense on the accompanying statements of activities. The cumulative amount due from HCZ relating to these plans totaled \$985,222 and \$1,991,000 at June 30, 2023 and 2022, respectively. The cumulative amount due to eligible employees totaled \$2,176,900 and \$2,692,656 at June 30, 2023 and 2022, respectively. Amounts due from HCZ in excess of amounts due to eligible employees represents reimbursements of amounts already paid by the School in advance of receiving the funds from HCZ.

Other

Certain expenses are shared amongst the School, HCZ and Harlem Children's Zone Promise Academy Charter School ("PA I"). Shared expenses primarily relate to prorated salaries and other expenses that are allocated amongst the School, HCZ and PA I. Amounts may also be received by the School on behalf of HCZ or PA I, and amounts may also be granted to the School from HCZ. At June 30, 2023 and 2022, due from (to) related parties totaled \$307,674 and \$(2,715,730), respectively, pertaining to these related party transactions.

HCZ also provided the School with grants in the amounts of \$827,089 and \$852,330 in fiscal 2023 and 2022, respectively, which are included within contributions - related parties on the accompanying statements of activities.

***Contributed Space and Services***

HCZ provides the School with certain space and services at no cost. For the years ended June 30, 2023 and 2022, the School recognized revenues and corresponding expenses for space and services of \$1,133,781 and \$598,340, respectively. Contributed services are valued and reported at their estimated fair value based on current rates for similar services. Contributed space is valued at its estimated fair value based on current rates for the use of similar space.

**NOTE 9 - LEASES**

The School has entered into lease commitments for charter school space in Harlem, New York. These lease agreements expire on various dates through June 2059.

**NOTE 10 - CONCENTRATION OF RISK**

The School is dependent on various government agencies for funding and is responsible for meeting the requirements of such agencies. If the School were to lose students or the related government funding, it could have a substantial effect on the School's ability to continue operations.

## Harlem Children's Zone Promise Academy II Charter School

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2023 and 2022

As discussed in Note 8, HCZ makes a contribution to the School and donates services. If this relationship were to change or cease, such change could have a substantial effect on the School's ability to continue operations.

#### NOTE 11 - CONTINGENCIES

##### ***Government Agency Audits***

The School participates in a number of federal and state programs. These programs require that the School comply with certain requirements of laws, regulations, contracts, and agreements applicable to the programs in which it participates. All funds expended in connection with government grants and contracts are subject to audit by government agencies. While the ultimate liability, if any, from any such audits of government contracts by government agencies is presently not determinable, it should not, in the opinion of management, have a material effect on the School's financial position or change in net assets. Accordingly, no provision for any such liability that may result has been made in the accompanying financial statements.

##### ***Litigation***

The School, in the normal course of its operations, is a party to various legal proceedings and claims. While it is not feasible to predict the ultimate outcomes of such matters, management of the School is not aware of any claims or contingencies that would have a material adverse effect on the School's financial position or change in net assets.

#### NOTE 12 - LIQUIDITY AND AVAILABILITY OF RESOURCES

The School closely monitors cash flows to ensure adequate resources are available at any given time to meet current and upcoming obligations. Strong emphasis on budget and treasury management is undertaken in an effort to anticipate organizational needs during both the short- and long-term.

Government grant revenue represents the majority of funding received for School operations. As such, the School puts considerable focus on grants management to make certain that necessary funding is both calculated accurately and received timely.

Finally, if significant unforeseen liquidity issues arise, the School would seek funding and assistance from its Instructional Partner, Harlem Children's Zone, Inc., to address potential shortfalls, mitigate any operational issues that could result, and develop a long-term remedy.

The School's financial assets available within one year of June 30, 2023 for general expenditure are as follows:

Cash and cash equivalents	\$ 314,541
Due from related parties	307,674
Government grants and contracts receivable	<u>7,005,941</u>
Financial assets available for general expenditures within one year	<u>\$ 7,628,156</u>

**Harlem Children's Zone Promise Academy II Charter School**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2023 and 2022**

The School's financial assets available within one year of June 30, 2022 for general expenditure are as follows:

Cash and cash equivalents	\$ 6,717,508
Government grants and contracts receivable	<u>2,028,920</u>
Financial assets available for general expenditures within one year	<u>\$ 8,746,428</u>

**NOTE 13 - SUBSEQUENT EVENTS**

The School evaluated its June 30, 2023 financial statements for subsequent events through November 1, 2023, the date the financial statements were available to be issued. The School is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

## **REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees of  
Harlem Children's Zone Promise Academy II Charter School

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of Harlem Children's Zone Promise Academy II Charter School (the "School"), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 1, 2023.

### **Report on internal control over financial reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on compliance and other matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial

statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

## **Board Meeting**

**Tuesday, September 13, 2022**

**245 West 129th Street**

*Attendees: Geoffrey Canada, Kwame Owusu-Kesse, Mitch Kurz, Ellanor (Bodie) Brizendine, Fatime Cadoo, Willie Mae Lewis, Keith Meister, Aisha Tomlinson, Nana Annan, Candice Ashby, Saskia Brown, Ari Browne, Ryan Carroll, Kaitlynn Conley, Joseph Cordero, Amy Deal, Connor Fournier, Linda Ibuzor, Jenn Klein, Jazmine Lewis, Stephanie Lilavois, Justin Maker, Katherine Martinez, Liam McCarthy, Amanda Neal, Anna Owusu, Achil Petit, Hayling Price, Madelaine Schultz, Troy Smith, Toya Stille, and Jenny Zhou.*

### **CEO Report (Kwame Owusu-Kesse)**

Chief Executive Officer Kwame Owusu-Kesse reported that safety protocols were changed beginning on the first day of school, September 6, 2022. The School eliminated surveillance testing and daily COVID-19 questionnaires from the arrival process. However, COVID-19 testing is still available at the HCZ Armory. If a scholar exhibits COVID-like symptoms, they will be redirected to one of the exclusion rooms, and they will be sent home to take a rapid test. Their parent(s) will also be contacted. Additionally, the Return and Recovery Committee (RRC) will continue to monitor any spikes in COVID-19 symptoms or positive cases.

Mr. Owusu-Kesse also reported that the construction of the Sendero Verde building is complete. Promise Academy II Elementary School (PAIES) will move to the new location once all permits are approved by the city.

### **Superintendent's Update (Dr. Achil Petit)**

Superintendent Dr. Achil Petit reported that enrollment is 1,154 for Promise Academy I and 1,002 for Promise Academy II.

Dr. Petit announced that former Assistant Principal Amanda Neal had accepted the Principal role at PAIES and introduced Ms. Neal to the Board. The following is a transcript of the remarks, edited for clarity:

"Amanda Neal started working at Promise Academy 13 years ago as a third-grade teacher. She's held several positions within the organization, including math coach, education director, and, most recently, assistant principal. Ms. Neal shared that she appreciates the opportunity and is excited to continue her great work in her capacity as principal."

Dr. Petit reported that the HCZ Promise Academy High School Graduation was held on June 24, 2022, at the HCZ Armory. Parents appreciated the opportunity to honor their scholars for their accomplishments.

Deputy Superintendent Dr. Saskia Brown reported that staff orientation began on August 22, with 50 new Promise Academy staff members attending the first week and over 310 staff members attending the second week. The theme of the orientation was "Back to Basics," and the sessions included team-building exercises focusing on leadership development and setting expectations. Mr. Owusu-Kesse interviewed Board Chairman Geoffrey Canada at the closing ceremony on Friday, September 1.

Dr. Brown thanked HCZ teams, including Maintenance, Safety, IT, and senior leaders, for their support during the first week of instruction.

Dr. Brown introduced the new Director of Curriculum and Instruction, Katherine Martinez, to the Board. The following is a transcript of the remarks, edited for clarity:

"Katherine Martinez's career journey evolved around New Jersey urban school districts. Her many achievements include designing and implementing the overhaul of Language Arts and Literacy programs

and coordinating the professional development of over 600 teachers. Ms. Martinez said she is grateful for the opportunity to work at HCZ Promise Academy.”

Dr. Brown reported that this summer, approximately 460 HCZ Promise Academy scholars rising to grades one through nine participated in the Bloomberg Philanthropies Summer Boost NYC program. As part of the 20-day summer program, scholars studied English language arts and mathematics at public charter schools in New York City.

### **HCZ Promise Academy II Elementary School (Amanda Neal)**

Principal Amanda Neal reported the Elementary School's attendance was 86% for June and 72% for the summer.

Teachers took advantage of the Summer Boost NYC program, which gave them the opportunity to help scholars close the learning gap and meet benchmarks through additional support.

Principal Neal held meetings with parents in different languages to introduce herself as the new principal. The Elementary School administrative staff sends weekly videos to families with information about school goings-on.

Principal Neal met and greeted kindergarten families outside as they dropped off scholars during the first week of school.

The Elementary School holds a Principal Points meeting on Wednesdays at 12:30 PM and 4:30 PM to give the principal and staff a chance to connect.

With the “Back to Basics” theme in mind, senior leaders are working on the provision of curriculum and instruction for the school year.

### **HCZ Promise Academy II Middle School (Ryan Carroll)**

Principal Ryan Carroll reported that the Middle School's attendance was 87% for June and 83% for the summer.

Teachers took advantage of the Summer Boost NYC program, with nine teachers leading instruction and support in math and ELA for scholars with the greatest academic need. Eighth graders rising to ninth grade showed an increase of 48 percentage points in ELA pre-tests and 68 percentage points in math pre-tests. In ELA, scholars rising to the eighth grade increased their proficiency by 28%, and rising sixth-grade scholars increased their proficiency by 45%. In math, there was a 21% increase for rising seventh graders and a 14% increase for rising sixth graders.

Eleven new staff members joined the Middle School and attended the new teacher orientation.

The Middle School provided swag bags, breakfast, lunch, and snacks for all returning and new staff. Principal Carroll thanked the Maintenance team for cleaning and preparing the classrooms for the return of scholars on September 6.

### **HCZ Promise Academy II High School (Kaitlynn Conley)**

Principal Kaitlynn Conley reported that the High School's attendance was 90% for June and 77% for the summer.

High School scholars participated in Summer Exposure Opportunities at higher learning institutions, including Adelphi University, Brown University, Columbia University, Emory University, the Fashion Institute of Technology, Georgetown University, Harvard University, Howard University, Johns Hopkins University, Syracuse University, Tufts University, UCLA, and Williamson College of the Trades.

Principal Conley thanked Jenn Klein for working with seniors on their early-action applications.

In August, the High School held two freshmen orientations with senior scholars attending to mentor scholars about their high school academic careers.

**Financial Update (Connor Fournier)**

CFO Connor Fournier reported that Promise Academy II's revenue is on budget at an enrollment of 1,034. Expenses are \$0.7M favorable at \$2.8M. HCZ has not made a contribution through two months of FY22.

**Promise Academy Family Handbook (Candice Ashby)**

The Board unanimously approved the 2022-2023 Promise Academy Family Handbook by written resolution on October 19, 2022. The updated handbook can be found on the Promise Academy website.

*Attendees: Geoffrey Canada, Kwame Owusu-Kesse, Mitch Kurz, Ellanor (Bodie) Brizendine, Fatime Cadoo, Stan Druckenmiller, Denise Fuller, Willie Mae Lewis, Keith Meister, Alfonso Wyatt, Candice Ashby, Saskia Brown, Ari Browne, Ryan Carroll, Kaitlynn Conley, Joseph Cordero, Amy Deal, Connor Fournier, Linda Ibuzor, Jenn Klein, Jazmine Lewis, Stephanie Lilavois, Justin Maker, Katherine Martinez, Amanda Neal, Anna Owusu, Achil Petit, Madelaine Schultz, Troy Smith, Toya Stilley, and Jenny Zhou.*

### **Acceptance of Minutes (Geoffrey Canada)**

The meeting was called to order at 7:30 a.m., and a motion to approve the meeting minutes from September 13, 2022, and June 15, 2022, was unanimously approved.

### **CEO Report (Kwame Owusu-Kesse)**

Chief Executive Officer Kwame Owusu-Kesse reported that during the COVID-19 pandemic, the organization made the following achievements.

The Baby College held its 100th cycle this year. A foundational program of HCZ, it provides parenting education and support to families in Central Harlem. More than 650 parents have graduated from the program in the last three years.

HCZ Promise Academy celebrated 100% of its 300 scholars being accepted to college.

HCZ released the documentary *Harlem Rising*, which chronicles the organization's efforts to end generational poverty in Harlem.

Thanks to Mr. Canada's leadership, HCZ's William Julius Wilson Institute continues to scale the organization's impact nationally.

Plans to move Promise Academy II Elementary School to the Sendero Verde building in the winter are underway.

### **Superintendent's Update (Dr. Achil Petit)**

Superintendent Dr. Achil Petit reported that enrollment is 1,142 for Promise Academy I and 1,016 for Promise Academy II.

Dr. Petit reported that Deputy Superintendent Dr. Saskia Brown conducted walk-throughs with the administrative teams in each of the Promise Academy schools to ensure that practices and procedures were consistent and lessons were enriching and engaging.

### **State Test Scores**

Dr. Petit reported the results of state exams for grades three through eight, comparing pre-pandemic test results and current test results to demonstrate the impact of remote learning on scholars. Test results for 2021 dropped 22 percent in math for Promise Academy I and 32 percent in Promise Academy II compared with 2019 test results.

Despite the significant decline in math exam scores, Promise Academy outperformed its peers in the following groups: District 5, Black students, and students in New York City.

Promise Academy scholars were as proficient in English Language Arts (ELA) pre and post-pandemic. Promise Academy scholars outperformed their peers in the following groups: District 5, NYC Black students, and New York City students.

State comparison groups are not yet available.

### **HCZ Promise Academy II Elementary School (Amanda Neal)**

Principal Amanda Neal reported the Elementary School's attendance was 89% for September.

The Elementary School held parent-teacher conferences, with 60 parents attending in-person and over 200 attending virtually.

The Elementary School planned a parent orientation on Saturday, October 22, for families of scholars in grades three through five to ask questions and preview the curriculum for the academic year.

Principal Neal thanked Promise Academy I Elementary Principal Dr. Cordero, the Center for Higher Education and Career Support, and Community Pride for supporting recruitment efforts in the neighborhood surrounding the Sendero Verde building. Preparations to move the Elementary School to the new building are underway.

Principal Neal continues to conduct guided reading via weekly videos shown to scholars in grades two through five.

Elementary School leaders attended the Promise Academy II Parent Association meeting to answer questions and concerns from families.

The character trait celebrated for the month was "individuality," highlighted by the book of the month, *I Color Myself Different* by Colin Kaepernick. Facilitated by Promise Academy's guidance counselors and the Social Emotional Learning team, high school scholar-athletes read this book to scholars in grades three through five.

### **HCZ Promise Academy II Middle School (Ryan Carroll)**

Principal Ryan Carroll reported that the Middle School's attendance was 94% for September.

The Middle School held a virtual back-to-school night on September 22 to introduce teachers to families and give an overview of the curriculum.

The Middle School held in-person and virtual parent-teacher conferences.

Seventh-grade scholars received vision screenings.

Scholars attended Academic Hour after school to receive additional support from Middle School staff.

The Middle School celebrated an eighth-grade scholar who scored 31 points in the junior varsity basketball game.

To show appreciation for the Middle School staff, school leaders arranged lunch and snacks and distributed gifts to staff.

### **HCZ Promise Academy I High School (Amy Deal)**

Principal Amy Deal reported that the High School's attendance was 94% for September.

The High School held in-person parent-teacher conferences.

Student Council meetings were held every Friday with scholars running for cabinet positions. Elections will take place later in the fall.

The Training and Development team held three instructional rounds and coaching cycles for new and returning teachers.

Seniors started the college application process with the first round of early action beginning November 1. Additionally, 30 scholars attended a college fair at the Jacob K. Javits Convention Center.

The High School provided team building for scholars with different activities and social-emotional reflections.

**Financial Update (Connor Fournier)**

CFO Connor Fournier reported that Promise Academy II's enrollment is 1,016, which is 18 unfavorable versus the budget. The School's revenue is \$0.1M unfavorable at \$5.3M. Expenses are \$0.1M unfavorable at \$5.3M. HCZ has not made a contribution through three months of FY22.

### **Video Conference**

*Attendees: Geoffrey Canada, Kwame Owusu-Kesse, Mitch Kurz, Fatime Cadoo, Stan Druckenmiller, Willie Mae Lewis, Keith Meister, Aisha Tomlinson, Alfonso Wyatt, Nana Annan, Candice Ashby, Sabrica Barnett, Saskia Brown, Ari Browne, Ryan Carroll, Kaitlynn Conwright, Joseph Cordero, Amy Deal, Connor Fournier, Jenn Klein, Jazmine Lewis, Stephanie Lilavois, Justin Maker, Katherine Martinez, Liam McCarthy, Amanda Neal, Anna Owusu, Achil Petit, Madelaine Schultz, Toya Stilley, and Jenny Zhou.*

#### **Acceptance of Minutes (Geoffrey Canada)**

The meeting was called to order at 7:30 a.m., and a motion to approve the meeting minutes from October 19, 2022, was unanimously approved.

#### **CEO Report (Kwame Owusu-Kesse)**

Chief Executive Officer Kwame Owusu-Kesse reported that on November 3, 2022, Harlem Children's Zone (HCZ) held an alumni event focused on economic mobility and narrowing the racial wealth gap. The talk was led by Director of the Charles Stewart Mott Foundation Benita Melton, Mr. Owusu-Kesse, and HCZ Founder and President Geoffrey Canada.

Mr. Owusu-Kesse congratulated Anna Owusu on her promotion to managing director of Social Services and welcomed Dr. Sabrica Barnett to the role of managing director of Research and Evaluation.

Anna Owusu has been part of the HCZ Promise Academy Social Services team for eight years and said that she is looking forward to expanding her work with HCZ.

Dr. Sabrica Barnett joined HCZ in April 2022, and she was previously the director of the Girl Scout Research Institute for 10 years. Dr. Barnett has a Ph.D. in Social Psychology.

#### **Superintendent's Update (Dr. Achil Petit)**

Superintendent Dr. Achil Petit reported that enrollment is 1,133 for Promise Academy I and 1,008 for Promise Academy II.

Dr. Petit also reported that he and Deputy Superintendent Dr. Saskia Brown held a leadership retreat on November 11, 2022, focusing on the theme of "Excellence." Dr. Petit thanked Ms. Owusu and the Social Work team for facilitating some of the sessions during the event.

#### **State Test Scores (Dr. Achil Petit / Dr. Saskia Brown)**

Dr. Petit reported exam results for HCZ Promise Academy scholars and compared them to those of public school and charter school students across New York State (NYS) for grades three through eight.

In ELA, HCZ Promise Academy scholars outperformed NYS charter schools, NYS Black students, NYS white students, and NYS students as a whole. HCZ Promise Academy scholars also performed comparably to other New York City (NYC) charter schools. HCZ Promise Academy Middle School scholars outperformed their NYC and NYS peers by five or more percentage points, while HCZ Promise Academy Elementary School scholars' scores were comparable to their NYS peers. Additionally, HCZ Promise Academy scholars with disabilities had a proficiency rate of 32% in ELA and they outperformed their peers in the city and state.

Dr. Brown spoke about ELA key strategies and initiatives implemented this year to target areas in need of improvement among scholars on the state exams and other assessments. School leaders created small

groups focusing on strategies based on formative data analysis. To prepare scholars, school leaders also increased independent practice time in literacy blocks.

The School implemented targeted teacher supports, including instructional rounds to identify gaps, guidance to normalize the instructional lens, and develop teachers' foundational skills. To leverage the school's extended day programs, the School further developed strategic planning and support for Saturday School and Academic Hour for the 22-23 school year

Dr. Petit reported that HCZ Promise Academy scholars exceeded both their NYC and NYS peers in proficiency and performed comparably to other NYC and NYS charter school students in their math test results. HCZ Promise Academy seventh and eighth graders outperformed their NYC peers by five or more percentage points. Scholars with disabilities outperformed their peers in NYC overall.

Dr. Brown reported the current school year's key math strategies and initiatives included targeted scholar supports that strengthen their mastery of content. The school also implemented teacher supports, including weekly data reviews and reteach opportunities, targeted coaching, and increased feedback and teacher collaboration.

### **HCZ Promise Academy II Elementary School (Amanda Neal)**

Principal Amanda Neal reported the Elementary School's attendance was 91% for October.

The Elementary School held its Book-O-Ween Halloween celebration, where scholars and staff dressed as characters from their favorite books. The Elementary School's administrative team played the role of "book fairies," raffling off two books to each classroom.

Saturday school continues to be a successful program, as the number of scholars attending the program has increased month over month.

On November 18, school leaders have planned a professional development event for teachers that will focus on team building, classroom partnership, and data collection systems practices. Success in Motion will also facilitate self-care activities.

A group of second- through fifth-grade scholars saw *Wicked* on Broadway. The principal thanked PAll Middle and High schools for providing extra tickets.

### **HCZ Promise Academy II Middle School (Ryan Carroll)**

Principal Ryan Carroll reported that the Middle School's attendance was 94% for October.

Middle School scholars in seventh-grade went on a field trip to the Museum of Natural History.

The Middle School held a town hall for each grade level, celebrating scholars of the month and of the week. Scholars won raffles including free lunch with an administrative staff member or movie tickets.

School leaders held a professional development session for staff, addressing school culture and setting expectations across grade teams. Staff members who had perfect attendance through September and October were celebrated and all staff members were given lunch before the session. Shout-out boards were created to encourage positive notes for staff members and scholars.

### **HCZ Promise Academy II High School (Kaitlynn Conwright)**

Principal Kaitlynn Conwright reported that the High School's attendance was 94% for October.

The National Honor Society (NHS) committee reviewed applications and elected scholars from grades 10 through 12. NHS focuses on scholarship, service, character and leadership, and all accepted scholars demonstrate excellence in those categories. NHS held elections for the Leadership Board and they are planning an in-person induction.

In anticipation of the November 1 deadline, 18 scholars applied to early decision colleges. Scholars have begun to receive college acceptance letters from institutions including Virginia State University, which

accepted 12 Promise Academy High School scholars. Four of the scholars accepted to Virginia State University received presidential scholarships of \$10,000 and five received scholarships of \$6,500.

High School scholars attended a two-night college tour which included visits to Syracuse University, Binghamton University, University of Buffalo, and SUNY Oswego. Scholars toured campuses, spoke with admission representatives, and attended a Syracuse basketball game. HCZ Promise Academy alumni attending each of the colleges spoke to Promise Academy High School scholars about college life.

#### **Financial Update (Connor Fournier)**

CFO, Connor Fournier, reported that Promise Academy II's enrollment is 1,008, which is 26 unfavorable versus the budget. The school's revenue is \$0.2M unfavorable at \$7.0M. Expenses are \$0.4M favorable at \$6.6M. HCZ has not made a contribution through four months of FY22.
